Gun collectors and enthusiasts, shooting instructors, competitive shooters, firearms and security consultants, sportsmen and sportswomen, law enforcement officers, and the military trust NANUK to protect their expensive firearms. The NANUK Firearms series is designed to provide pistols, revolvers, and rifles of all kinds, the maximum level of protection in custom-made protective cases. Each case features high-quality, pre-cut, closed-cell foam that specifically fits popular semi-automatic handguns, revolvers, shotguns, and rifle models. Built to organize, protect, carry and survive harsh conditions, NANUK waterproof hard cases are impenetrable and indestructible with a lightweight tough NK-7 resin shell and PowerClaw superior latching systems. With NANUK's exclusive locking and latching system, the case stays shut and secured until it's ready to be opened. Each protective case comes with a soft grip and ergonomic handle to make it easy to transport. They also feature stainless steel hardware, and handles are spring-loaded and retract to keep them out of harm's way. All NANUK cases are MIL-spec, equipped with an automatic pressure release valve, and are backed by a lifetime warranty.
