WHY CHOOSE
NANUK

NANUK Advantage

NANUK FEATURES

NANUK protective cases are the result of years of testing both in the lab and on the field and offer unrivaled protection in a variety of sizes, configurations and colors, with its patented PowerClaw latching system and NK-7 resin outer shell, NANUK is built for nature's most unforgiving conditions.

Rugged, waterproof and guaranteed for life, all NANUK cases are designed to withstand the smallest tumbles to the biggest shocks and everything in between. When it needs to get there in one piece, it needs to go in a NANUK.

Eco-Friendly Collection

THE FUTURE IS HERE

At NANUK, we're thrilled to introduce our latest innovation: the **NANUK-R Collection—the only eco-friendly, high-end protective cases that reduce carbon footprints by over 50%**. We believe quality and sustainability go hand in hand. While maintaining the same durability and functionality, our NANUK-R cases use eco-friendly materials, reducing reliance on virgin resins and diverting waste from landfills.

Our commitment to protection remains unwavering—each case undergoes rigorous quality control to ensure top-tier performance. By choosing eco-friendly NANUK cases, you support sustainability and the circular economy.

Together, we can make a difference.
Join us in protecting both your gear and the planet.

In addition to the fact that NANUK-R cases are designed for long-term use and recyclability, the shell of the NANUK-R Collection is made from a minimum of 95% post-consumer eco-friendly resin.

Be it for aesthetic preference or more practical purposes, color choice is an important feature for all NANUK users - choose from a pallet of 10.

Color options range from emergency orange to olive drab, meaning that you can blend in or stand out, whatever the task entails.

*Possibility of custom colors with a minimum order..

Accessories

14 OPTIONS

*Not available in all case sizes.

NANUK offers up to 14 accessories, allowing users to customize, enhance, and adapt their setup as their needs evolve. From shoulder straps and lid organizers to TSA-approved padlocks and Molle System, these accessories provide

added convenience, security, and functionality. Whether upgrading for better organization or adapting to new gear, NANUK's wide range of accessories ensures a flexible and personalized storage solution for any shooting environment.

CUBED FOAM

Made of high quality polyurethane foam, the multilayered set of customizable inserts includes a prescored removable layer. This layer consists of foam to accommodate the contents of the case. This solution is ideal if you are seeking a quick and easy way to protect and organize your items.

FOAM INSERTS

Your gear, assets, and accessories receive the highest level of protection with custom-made protective foam designed for NANUK cases. The specially designed, high-quality closed-cell foam insert is pre-cut to fit your assets and accessories perfectly, providing maximum protection while keeping your most valuable items safe, sorted, and organized.

PADDED DIVIDERS

If you require compartmentalized protective organization of your components or equipment, our padded dividers are the right choice. Easily tailored to your needs with repositionable hook and loop fasteners, our padded dividers are designed to easily organize and protect your equipment.

Padded dividers available for selected models. Please refer to the features table of the specific model.

LID ORGANIZER

The NANUK Lid Organizer is the ideal organization and convenience accessory to add to your case. The molded interior is designed to help keep your hardware, power cords and accessories entirely organized and in-view. The lid organizer includes a set of mounting screws for easy, stress-free installation. Features include three zippered and anti-tear compartments of various sizes for lots of gear storage.

Lid organizer available for selected models. Please refer to the features table of the specific model.

N-CUBIK

N-CUBIK are designed for perfect alignment with other NANUK products or for standalone use. Seamlessly fitting into NANUK's hard cases and bags, they ensure smooth transitions. Experience effortless mobility for your essentials, ready for any adventure.

Fits 935 and 938

TECH POUCHES

Multiple pockets and internal dividers create a tidy and secure home to keep gear and accessories safe and within reach. Unique N-CUBIK organizers and tech pouches provide next level stand-alone organization and protection.

MESH LID ORGANIZER

The Mesh Lid Organizer is a practical and durable storage solution designed to maximize the space inside your NANUK case. Featuring multiple zippered compartments made from high-quality mesh, it enhances efficiency and keeps your accessories neatly arranged for any adventure or professional setup.

Fits 935 and 962 only

MOLLE SYSTEM

The NANUK MOLLE System is a versatile, modular storage solution for photographers who need easy access to their gear in dynamic environments. With this system, you can attach a variety of accessories, making it perfect for on-the-go shoots, outdoor photography, or travel.

Fits 935 and 962 only

ID WINDOW

Measuring 4" x 6", the polycarbonate identification plate allows you to identify the contents of the case, the shipping address or any other important information. Equipped with two hooks, the plate is compatible with NANUK models 962, 975, 976 and 988. It can only be added or removed with the case open.

AIRTAG HOLDER

The NANUK AirTag™ Holder is designed to securely hold an Apple AirTag (not included) in four different ways, offering versatile attachment options. This ultra-durable holder allows you to attach it to a wide range of items, such as Nanuk protective cases, backpacks, luggage, drones, cameras, keys, electronics, bikes, athletic equipment, or anything else you want to track. You can use it in the following ways: without a mount, with the mount using hook-and-loop adhesive, permanently mounted with 3M™ double-sided tape, or simply with the lanyard.

DESICCANT CONTAINERS

NANUK Reusable Desiccating Containers protect items from deterioration, rust, corrosion, mold, mildew, and other moisture-related damage. Simply place the Desiccating Container with the item in a sealed moisture-resistant container such as a Nanuk case. It will quickly remove moisture and maintain dryness to prevent damage, absorbing up to 34% of its weight in water vapor.

SHOULDER STRAP

Our neoprene shoulder strap incorporates Aircell™ comfort technology to reduce fatigue when transporting your case. The shoulder strap can easily be attached to most NANUK™ cases without any additional hardware.

Shoulder strap available for selected models. Please refer to the features table of the specific model.

TSA POWERCLAW LATCH RETROFIT KIT

We found a way to make our patented PowerClaw latches even better! They are now available with an integrated TSA accepted key lock. The easy to install retrofit kit can be installed on many NANUK cases and adds another layer of security to your case. Each lock has a special code TSA001 to TSA003, which is used by the TSA, CATSA and other security agencies to know which secure tool to use to open the lock. TSA accepted latches are the perfect accessory for storing, securing and protecting valuable items at home, on the job site and in your vehicle.

TSA PADLOCK

TSA padlocks offer the security of a padlock but can easily be opened and inspected by airport security and then locked again. A visual indicator lets you know when the lock has been opened with a TSA key.
